

Fox & Fox Essence Brut Pure Chardonnay 2014

Essence is our pure un-oaked Chardonnay. It sings of citrus and ripe apples in a glorious burst of flavour. Small bubbles fill the mouth and deliver a refreshingly long finish. Essence is a wine that drinks well on its own, is delicious with food (fish and chips to Dover sole, cold meats, green salads with fresh apples and light creamy goats cheeses for example) and for those that are happy to wait, it offers good aging potential.
